YMCA Camp is a place where magic happens. It's a place where campers and counsellors learn from each other, and develop a home away from home. Each child's unique talents, personality and perspective are welcomed and celebrated. All members of the camp community support each other to discover more about themselves, and each other, and have the opportunity to discover how their individuality can impact the world. Camp is a place to laugh, play and develop life-long friendships.

At the YMCA, we believe in helping all children and youth reach their full potential. All of our camp programs, be it sports, horseback riding, or outdoor pursuits, provide campers with a supportive environment to learn new things as they deepen their connection with the world around them. They will be challenged to take risks, be goofy, and step out of their comfort zones to accomplish the seemingly "impossible" together.

We are excited to welcome your family into our camp community, and look forward a memorable summer where your child will learn to be a leader, learn how to be part of a team, and learn to value their individuality.

Join us for a summer that your camper will remember forever!

Summer Camp the YMCA Way

The YMCA builds strong kids through values-based programming that will help them grow into healthy, responsible and caring adults. Our camps provide:

- A wide variety of age-appropriate activities
- Fun and adventure-based programming
- The opportunity to develop new skills
- Activities that enhance personal growth and build confidence
- A safe environment for children to make new friends

Our staff team is selected based on experience working with children and ability to role model YMCA values. Our staff prepare for camp by:

- Providing the YMCA with a current Police Check with Vulnerable Sector screening (required for 18+)
- Completing their Emergency First Aid and CPR "B" certification
- Completing pre-camp training focused on working with children, creating positive group experiences for all campers, programming and relationship building

YMCA Financial Assistance

Through the generosity of our donors, we were able to provide financial assistance to more than 145 children last season. This allowed children to have a positive summer camp experience they will remember forever!

For more information about YMCA Financial Assistance, please contact the YMCA of Oakville Summer Camp Department at summercamps@oakville.ymca.ca.

Children with Special Needs

The YMCA partners with Reach for the Rainbow to provide positive integrated summer camp experiences for ages 3.8-17 who have special needs. In order for us to successfully meet your child's needs, please contact Reach for the Rainbow at 416-503-0088.
