Endless Summer Memories

YMCA Summer Day Camp is a chance for everyone to create endless summer memories: playing games, exploring the outdoors, learning new skills and making friends for life! With a fresh selection of traditional and specialty camps this summer there is something for everyone! We look forward to helping campers unplug from screen time and plug into rediscovering the outdoors, sports, trips, fun activities and more.

The YMCA's long history and expertise in supporting a holistic approach to health, growth, and development of children and youth is evident in our camp programs. At YMCA Day Camp, children can be physically active and enjoy just being kids.

We cannot wait to build lasting memories with your child this summer!

Below are concise charts of each summer camp by location with age restrictions, length, venue and fees at a quick glance. For full descriptions and themes of the camps, please visit <https://ymcaofOakville.org/programs/camps/>

FILL THE BUS

As one of Oakville's largest camp providers, we are empowering the next generation to lead healthier, happier lives by helping them learn how to handle life's curve balls. When kids and teens believe in themselves, the whole community wins. And it's not just us, parents consistently say that our camps are safe, supportive, active, and fun experiences where their children gain a greater appreciation for the natural world, their community, and themselves. They also develop leadership skills that can have a profound impact on their future success.

Unfortunately, not everyone has the same access or financial ability to enjoy these experiences. And with the pandemic only amplifying barriers to a healthy life, families in our community need us more than ever. That is why we are on a mission to raise \$100,000 in 2022 for our "FILL THE BUS" campaign. A gift of \$300 will send a child jumping for joy and ensure that no one is left behind this summer.

Please donate today.
