Inclusion support for your child

The YMCA of Oakville's Inclusion program offers support for children with physical disabilities so they can enjoy a positive and supportive camp experience alongside their peers. Children can register for Inclusion support at any camp location for a maximum of two weeks to ensure more children can access these services within our community.

We believe all children deserve the opportunity to experience camp and everything that comes along with it; new friendships, new opportunities, and life-long memories, just to name a few! Campers attending our Inclusion program will be supported by a YMCA Inclusion Counsellor. This staff will support your child through the daily programming and provide additional support throughout the day, as needed. Please note, Inclusion support is facilitated by our inclusion counsellors who are youth with at least 1 year of experience working with children. They receive YMCA training and are not licensed professionals. While we do our best to support all children, we recognize that we may not be able to meet the needs of every child.

Note: Families can provide their own 1:1 support through a recognized and accredited agency. There are no additional fees for campers requiring Inclusion support.

Campers With Additional Needs

The YMCA welcomes children with additional needs into our camp programs and offers extra support throughout the day. Please note, our Inclusion program has limited spaces.

The Inclusion program may be a good fit for your child if:

- Extra support is required at school
- Extra support is required at home for basic care such as dressing and toileting
- A disability exists that may affect their safety in our program
- They require frequent breaks from group settings to support their self-regulation
- They are unable to remain in a group setting on a 1:13 ratio independently

It is also important to also consider the following:

- Camp programming runs full day, Monday-Friday 8:30 a.m. – 4:00 p.m.
- Changes in program and/or routine may occur last-minute (i.e. weather changes)
- Some camp locations share space with the general public
- New COVID-19 protocols

If your child requires Inclusion support, please download and complete the Inclusion Support Form, and email to rosiely@oakville.ymca.ca (you may also direct inclusion questions to this email)

Code of Conduct

We expect campers to treat each other, staff, and themselves with respect at all times; solve problems collaboratively, include others in activities, and use non-offensive language at all times. We have a zero-tolerance policy for bullying and discrimination; participation in either will result in communication with parents/guardians.

Bus Transportation

Our buses are supervised by trained staff, who start and end each day with fun activities. For your child’s safety, children are required to get on and off the bus at the same location. Busing is included in the cost of the program. Please note that our morning departure times are strictly adhered to. However, evening arrival times may vary due to traffic and other unanticipated delays.
