Independent Auditor's Report

To the Board of Directors of Oakville Family YMCA (a corporation without share capital)

Opinion

We have audited the financial statements of the Oakville Family YMCA (the "Association"), which comprise the statement of financial position as at December 31, 2023, and the statements of changes in net assets, revenue and expenses and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at December 31, 2023, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. Significant Accounting Policies

Nature of Business

The Oakville Family YMCA (the "Association") was created without share capital on October 6, 1964 under Supplementary Letters Patent. The Association is a registered charity and accordingly is not subject to income tax.

The Association is a charity that strengthens community in Spirit, Mind and Body.

The Association's sources of revenue are largely from childcare, memberships in the membership centre, day camps and community programs. The Association operated 42 (2022 - 42) offsite locations and delivered 100 (2022 - 136) childcare programs during the year.

Basis of Accounting

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations.

Capital Assets

Capital assets are recorded at cost less accumulated amortization. Amortization based on the estimated useful life of the asset, is calculated on a straight-line basis as follows:

Building and site costs - 25 years
Furniture, equipment and leasehold improvements
Childcare - 4 years
Furniture and equipment - Peter
Gilgan Family YMCA - 5 years
Association services - 5 years
Leasehold improvements - 4 years

Building additions are amortized over the remaining life of the building, which was constructed in 2002.

When a capital asset no longer contributes to an organization's ability to provide services, or the future economic benefits or service potential of the tangible capital asset is less than its carrying value, the excess of its net carrying amount over its fair value or replacement cost is recognized as an expense in the statement of operations. Any unamortized deferred contribution amount related to the tangible capital asset is recognized in revenue in the statement of operations, provided that all restrictions have been complied with.

Intangible Asset

Purchased intangible assets are initially recorded at cost and amortized over its estimated useful life as follows:

Software straight-line - 5 years

Intangible asset consist of registration and facility scheduling software and financial accounting software.

When an intangible asset no longer contributes to an organization's ability to provide services, or the value of future economic benefits or service potential of the intangible asset is less than its net carrying amount, the excess of its net carrying amount over its fair value or replacement cost is recognized as an expense in the statement of operations. Any unamortized deferred contribution amount related to the intangible asset is recognized in revenue in the statement of operations, provided that all restrictions have been complied with.

December 31, 2023

1. Significant Accounting Policies (continued)

Revenue Recognition

Childcare, membership and program fees are recognized over the related period of service.

The Association follows the deferral method of accounting for contributions.

Unrestricted donations, grants and fundraising revenue are recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Deferred capital contributions related to capital assets represent the unamortized and unallocated amount of donations and grants received for the purchase of capital assets. The amortization of capital contributions is recorded as revenue in the statement of revenue and expenses.

Deferred Revenue

The Association operates various special programs which are funded by specifically designated grants and donations. To the extent such grants and donations are unspent at December 31, they are disclosed as deferred revenue on the statement of financial position

Government Grants and Fee Subsidies

General operating grants, fee subsidies and wage subsidy grants are recorded as revenue. Grants designated to be applied towards specific capital expenditures are deferred and amortized over the same period as the related capital asset.

Allocation of Association Services

The Association's principal activities are childcare, programs and membership services. The costs of each include wages and benefits, supplies, facility rentals and other direct costs. The Association also incurs a number of general and administrative support expenses that are common to the administration of the Association and each of its activities. Association services have been allocated to childcare expenses, programs and memberships expenses proportionately based on percentages of revenue as follows:

Childcare - 82% (2022 - 83%) Programs and memberships - 18% (2022 - 17%)

Contributed Services

Volunteers contributed approximately 4,435 hours to assist the Association in carrying out its service delivery activities. Due to the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

Financial Instruments

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, equities and fixed income investments (included in investments) traded in an active market are reported at fair value, with any unrealized gains and losses reported in operations. All other financial instruments are reported at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items measured at fair value each statement of financial position date and charged to the financial instrument for those measured at amortized cost. Investment fees incurred during the year are included in association services expense.

December 31, 2023

1. Significant Accounting Policies (continued)

Foreign Currency Translation

Foreign currency transactions are translated at the rates of exchange in effect at the dates of the transaction. Resulting foreign currency denominated monetary assets and liabilities are translated at the rates of exchange in effect at the balance sheet date. Gains and losses on translation of monetary assets and liabilities are included in net income.

Use of Estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amount of revenue and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future. Management's estimates and assumptions used in determining amortization methods and rates and useful life of capital assets and intangible assets are reviewed annually and are based on management's best estimates. These estimates are subject to measurement uncertainty, and the effect on the financial statements in future periods could be significant.

2.	Investments					
		-		2023		2022
			Fair Value	Cost	Fair Value	Cost

261,828 \$ 1,325,931

December 31, 2023

6. Demand Operating Facility

The Association has available a demand operating facility to a maximum of \$2,000,000 (2022 - \$2,000,000). There were no advances outstanding under this facility as at the year end.

The demand operating facility is secured by a general security agreement, an assignment of insurance and a first collateral mortgage for \$8,000,000 on the land and building.

7. Deferred Capital Donations and Grants

	-	2023	 2022

	\$	1,882,616	\$ 2,367,719

Net Assets Internally Restricted for Capital Expenditures

Net assets internally restricted for capital expenditures represent funds specifically set aside by the Board of Directors to be used solely for the purpose of capital expenditures. Net assets internally restricted for capital expenditures are not available for other purposes without approval by the Board of Directors. Any investment income earned or lost on funds set aside for this purpose is transferred to this fund. During the year, the Board of Directors approved a transfer of \$710,137 (2022 - \$Nil) from unrestricted net assets to net assets internally restricted for capital expenditures.

10. Regional Municipality Fee Subsidies

The Association receives fee subsidies on behalf of qualifying families based on income eligibility from the Regional Municipality of Halton. The Association received fee subsidies of \$1,363,389 (2022 - \$1,096,425) which are included childcare revenue and fee subsidies of \$273,116 (2022 - \$313,074) which are included in program revenue.

December 31, 2023

11. Canada-Wide Early Learning and Child Care Subsidy

The Canada-wide early learning and child care ("CWELCC") funding agreement was announced by the Federal and Provincial Governments during 2022 with the objective of reducing the cost of child care in Ontario to an average of \$10 per day by 2025.

This agreement allows licensed child care centres and licensed home child care agencies that opted-in to the system in 2022, to reduce parent or caregiver fees for children under the age of six by 52.75% (2022 - 25%), retroactive to April 1, 2022. The Association recognized \$4,124,193 (2022 - \$2,299,725), as childcare revenue on the statement of revenue and expenses and has a payable of \$3,361,077 (2022- \$836,262) to the Region of Halton on the statement of financial position.

In addition to the fee subsidies, the CWELCC agreement also provides funding for specific eligible labour and non-labour expenses. This funding is reported in Note 12.

12. Childcare Government Grants

During the year, CWELCC and other grants were received from the Regional Municipality of Halton to subsidize wage and other operating costs. Wage subsidies received were paid out to childcare workers. The grants and subsidies in the following amounts were recognized in the Association's revenue.

	0	2023	2022
Cost escalation - CWELCC	\$	1,193,561	\$ -
Wage floor - CWELCC		145,803	-
Minimum wage offset - CWELCC		102,309	-
Vacancy allowance - CWELCC		835,032	-
General operating grant		1,668,932	1,310,986
Wage enhancement		811,580	760,077
Special needs school age support		354,407	151,054
Staff development & retention programs		90,523	94,380
Halton region repairs and maintenance funding		8,500	_
Start up funding	_	3,243	2,187
	\$	5,213,890	\$ 2,318,684

Continued government support for direct wage subsidies to childcare workers is not guaranteed, but is typically renewed on an annual basis. Should this support cease, the Association is prepared to take measures to reduce the impact on its childcare services and staff.

13. YMCA Fee Assistance

In addition to the fee subsidies provided by the Regional Municipality of Halton (Note 10), the Association assisted families with direct fee assistance in memberships, programs and childcare. The value of the fee assistance was \$280,333 (2022 - \$191,326) and is excluded from the Association's revenues.

December 31, 2023

14. Commitments

The Association leases premises and association services equipment in the normal course of its operations. The minimum annual payments are as follows:

2024	\$ 432,930
2025	410,108
2026	221,093
2027	157,083
2028	104,722

In addition, the Association has entered into a contract with the Halton District School Board and Halton Catholic School Board to provide before and after school programs with a flexible rental schedule based the number of rooms used for its various programs. The annual rent paid under the contract for this year is \$558,054 (2022 - \$493,398). The contract is scheduled to expire in 2028.

15. Employee Future Benefits

The Association makes matching contributions to a defined contribution pension plan for its employees. Total pension expense included in the financial statements is \$404,498 (2022 - \$360,358).

The Association has no obligations in excess of the contributions noted above, as it does not have any defined benefit retirement plans.

16. Financial Instrument Risks

Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss to the other party by failing to discharge an obligation. The Association is exposed to credit risk resulting from the possibility that a customer or counterpart to a financial instrument defaults on their financial obligations. The Association's financial instruments that are exposed to concentrations of credit risk relate primarily to its accounts receivable balances.

Liquidity Risk

Liquidity risk is the risk that the Association encounters difficulty in meeting its obligations associated with financial liabilities. Liquidity risk includes risk that, as a result of operational liquidity requirements, the Association will not have sufficient funds to settle a transaction on the due date; will be forced to sell financial assets at a value, which is less than what they are worth; or may be unable to settle or recover a financial asset. Liquidity risk arises from the Association's accounts payable and accrued liabilities and commitments.

December 31, 2023

16. Financial Instrument Risks (continued)

Market Risk

Market risk arises from the possibility that changes in market prices will affect the level of investments held by the Association. The Association is exposed to market risk through its investments in equities.

Currency Risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to changes in foreign exchange rates. Investments in equities of \$401,243 (2022 - \$375,462) were held in US dollars and converted into Canadian dollars at year end. The Association considers this risk to be acceptable and therefore does not hedge its foreign exchange rate risks.

17. COVID-19 Subsidies

During the year, the Association received \$Nil (2022 - \$765,867) from the Hardest-Hit Business Recovery Program ("HHBRP") and \$Nil (2022 - \$106,708) from the Canada recovery Hiring Program ("CRHP"). Management has determined that the Association does not have an obligation to repay the Government of Canada for these subsidies as they have determined that the Association has met all applicable eligibility criteria.

18. Comparative Amounts

Certain comparative figures presented in the financial statements have been reclassified to conform with the current year's presentation.
